III. Statement as to How the Joint Application Fits into One or More of the Presumptive Streamlined Categories in Section 63.03 or Why It Is Otherwise Appropriate for Streamlined Treatment

The Joint Application presumptively qualifies for streamlined treatment pursuant to Section 63.03(b)(2) of the Commission's Rules, 47 C.F.R. § 63.03(b)(2) because the proposed transaction would result in Charter having a market share in the interstate, interexchange market of less than 10 percent, Charter would provide competitive telephone exchange services or exchange access services
